

Shoreline Women's Golf Club  
General Meeting, January 24, 2012

Robbie Gray called the meeting to order at 1:00.

Touchstone Management: Robbie introduced Scott Humphrey the GM from Touchstone Management. He has had over 20 years of experience, most recently at Pumpkin Ridge. Touchstone has years of experience and presently manages 25 golf courses in California. They are in the process of hiring a manager and tournament director with the goal of meeting or exceeding our expectations. Scott reported that we should have a new fleet of carts and push carts by July 1.

Scott Humphrey introduced Mark Wilson, Superintendent. Mark grew up in the Bay Area and started his golf career as a caddie at Rinconada CC. He is excited to be back in the Bay Area and looks forward to turning Shoreline around. He reported his number 1 priority is to bring Shoreline back to its former glory and recognizes that everything possible must be done to deal with the fowl. They expect to have volunteers to keep the greens clear, they will have a full time dog to chase the geese and coots away and they are purchasing a large blower to clear the greens each afternoon. Greens will be mowed daily and the cups changed every day; they are in the process of plugging the damaged greens. They will be checking the depth of the bunkers and plan to upgrade them. Mark welcomes feedback, his phone number is 903-6094.

Mark will designate a drop zone on the other side of the pond for holes #4 and #11. These can be used any time except Captain's Trophy and the Club Championship.

The retail store will bring in fresh merchandise. Meanwhile everything in the store except balls and clubs is 30% off until January 31.

Membership: We presently have 59 members and welcome new golfers.

Awards:

Suzi Q congratulated Jenny Chung, our new Club Champion. Suzi Q volunteered to run the Club Championship Tournament in 2012.

Jan Hew announced the most Improved Golfer for 2011: Cindy Moon. Her index dropped from an 18.7 to a 15.
