

SHORELINE Women's Golf Club

October 2009 Newsletter

FROM THE CAPTAIN

Our last General Meeting for 2009 was held on October 6th at Michael's following the "Sucker in the Bucket" event.

If you wish to know how many games you have played and/or how many meetings you have attended, you can find this information on the website:

<http://www.shorelinewomensgolfclub.com/membership.htm>

and follow the link [Games Played, Meetings attended till 8. 18. 09](#) to

<http://www.shorelinewomensgolfclub.com/Games%20and%20Meeting%20Credit%20through%208.18.09.pdf>

If you have not fulfilled your membership commitment, you will most likely receive a letter to this effect. We certainly encourage all our members to participate in the club, and hope your circumstances allow you to do so.

If you find meeting this commitment is difficult, we encourage you to think of becoming an associate member. As an associate, you may play at the end of the field five times during the year and may transfer to regular membership with priority when full membership suits you better.

PWGA – Danuta Eustice

Danuta reported to the Board that the Susan Komen tournament (Shoreline Women's Club annual fund raiser) raised more money this year than last year, but she felt our membership participation was down. Her thinking was that perhaps if we held the tournament at the fall General Meeting we might be able to encourage more participation. She is welcoming suggestions from the members.

TOURNAMENT

Eveline Konig will be in charge of the last quarter of the year's events so please direct any questions or suggestions to her.

I want to thank Amy Ng for running a very successful Club Championship, won by Annmarie Lee. We certainly are going to miss Amy and her wonderful contributions to our club. We wish her well in her new endeavor.

MEMBERSHIP/RENEWALS

The renewal forms for the Club have been sent electronically and you may get the form from the website.

There is a \$5 fine if your payment is not received by November 1. Connie Ring reported that we presently have 87 active members.

STARTERS & SCORERS

A month in advance of your starter/scorer duty, members will receive instructions by email which will allow you to familiarize yourselves with the procedures before you report for duty. Please remember to sign in so that you receive credit for a game on the day you are a starter or scorer.
