## FROM THE CAPTAIN-PATTI HAYES

Welcome to the 2005 golf season at Shoreline and your first newsletter on line! It has been a challenging first 3 months with all the bad weather. Hopefully, that's behind us. If you haven't seen it already, the Shoreline's website is fantastic! Ingrit has filled it with lots of wonderful information, pictures, golf truisms, news and past results. It is updated every week and you never know who might show up on it! Go to [www.shorelinewomensgolfclub.com](http://www.shorelinewomensgolfclub.com) and check it out!

Good news! Shoreline and the City of Mountain View have approved the placement of the above bench and memorial plaque between the 3<sup>rd</sup> green and the ladies 4<sup>th</sup> tee in memory of Betty Roberts. It should be installed by June and we'll have a little ceremony. Thanks for all the donations. I think Betty would really like it.

## UPCOMING EVENTS

There are several upcoming "special" events:

- 1) The match play tournament starts April 12 and runs on the 19<sup>th</sup> and 26<sup>th</sup>. This is a great way to learn how match play is different than stroke play and is a whole lot of fun. Sign up with Mary Lu Bishop/Nellie Calvo
- 2) The Spring Shoot is May 3<sup>rd</sup>: Sign up with Josie Hadden
- 3) The Partnership EC runs from May 17-June 28<sup>th</sup>. Sign up with Leslie Braun
- 4) Guest Day is May 24<sup>th</sup>

## HANDICAP-NAMIE TAKATSUKA

Effective April 1st, GHIN will not ship traditional monthly reports and handicap stickers. Their decision to go report-less is that more golfers having access to their current Handicap Index in many ways, and the need

for GHIN-generated reports or stickers has declined. I will be generating the reports for your handicap but it will be essential for all of you to memorize your GHIN number for posting purposes, as you will not receive any more handicap stickers.

Also, as we have a lot of people with the same last names, please write your first name on the scorecards too.

### **RULES-JOYCE BARTLETT**

Please note that drop areas cannot be used during the Match Play Tournament, the Club Championship or on Trophy Day. When "winter rules" are in effect, you **MUST** mark your ball before lifting it. Failure to do so is a one stroke penalty. The Rules Committee consists of Joyce Bartlett, Patti Hayes and Ruth Anderson. Finally, every player should have a USGA Rules book. Your playing companions may give you lots of rules advice- not all of it correct- but it is up to you to know the rules. If you take someone else's bad advice you are the one stuck with the penalty.

## **PW REP-PAULETTE WRIGHTSON**

It is time to get yourself a partner and sign up to try to qualify for the 2005 PWGA Team Play Championship. This is a lot of fun. You sign up to qualify with a partner (no handicap restrictions). I will set up two club playdays with Mary Lu Bishop and/or Jennifer McCabe to be days that our teams try to qualify. The two two-person teams that have the lowest gross/net for two days will be sent to the Team Play Qualifying match.

The Team Play Qualifying match will be held at Coyote Creek - Valley Course on July 11th. The format is better ball of two partners (with four-player teams) played at 95% of course handicap. Scores will be added together for a team score.

The Team Play Championship will be held at The Reserve At Spanos Park in Stockton on Sept. 13th and 14th.

If your team qualifies, you **MUST** be available to play the July 11th qualifier and the Sept. 13th and 14th matches.

I will have a sign-up sheet at the desk. However, if you want to play with someone and sign up before next week, please email me with your name and your partner's name and I will sign you up. The sooner we get the sign ups, the sooner I can set up the qualifying at Shoreline.

## TEE TIMES-VICKI THOMAS/KATHY HANSEN

Remember to either call, sign up in the book or email your requests for tee times or cancellations to [shorelinewomensgolf@yahoo.com](mailto:shorelinewomensgolf@yahoo.com).

We are having a problem with no shows and/or late cancellations. We usually have a waiting list every week so if you cancel late Monday night, Tues. morning or don't show at all those people on the waiting list don't know they can play. Please notify Vicki/Kathy by 5pm Monday if you want to cancel. Just think if you were on the waiting list and could have played if you had been notified.

That's it-See you at the *General Meeting* on March 29<sup>th</sup>!
