STATS: No Report

HANDICAP: No Report

MEMBERSHIP: Terri Griffith reported that we have two new members and one pending. The club can have a total of 120 members.

TEE TIMES: Paulette Wrightson:

When you email to sign up to play, do not also sign up in the book.

Those players on a wait list and not able to play, will get first choice to play the following week.

There is room for 44 tee times, and last minute cancellations create problems. Last minute cancellations, causing the most problems, are those called into the pro shop in the morning.

STARTER/SCORERS: As a reminder, Monique Ernst will send out or call those persons who do not have email. Starter/scorer must get her own replacement if unable to fulfill her duty and email the name of her substitute to Paulette Wrightson AND Monique Ernst.

The \$10 fines collected for not doing your starter/scorer duty will be given to the Jr. Golf Tournament at Shoreline.

RULES: You do not get relief from bird poop in a bunker. You get relief from a stone, not pebble, in bunker. You may (in bunker): probe with a rake or club to find a buried ball; if ball is moved, replace it and recreate the lie. You may move enough sand to only "see" the ball, not identify it. You may take an unplayable and go back where your last ball was hit.
You may hit a loose impediment on a forward stroke only.

TEAM PLAY RESULTS: West Valley was first in Gross and Shoreline was second.

MATCH PLAY: There was a total of 32 players in four flights. See attached for results.

SUNSHINE: One card was sent this year

INVITATIONAL: Chris Amann - The Invitational is on August 21st .
Theme: Mardi Gras; probably \$85/person. Colors - yellow, green and purple. The invitation will be on the web site; checks are due August 10th. You may invite three guests; guests must have a handicap. Members are requested to solicit items for the raffle (restaurants, golf rounds, etc.)

SUSAN KOMEN: Nancy Humpal - Twelve people landed on the green for golf ball prizes. Annmarie Lee was dressed in the most pink and was closest to the pin at 7' 0". Breast cancer survivors in our club were honored with flowers and visors.

MISCELLANEOUS: MaryLu has asked the pro shop to have drop areas designated on holes #4 and #11.

This week is American Express Women's Golf week at Shoreline. A playing opportunity with a PGA pro on Wed., June 6th from 5 to 7 and a free bunker clinic on Sat. June 9 from 1:00 to 2:00. Check with the pro shop for week-long promotions and special discounts on merchandise.

Volunteers are needed for the US kids qualifying tournament on June 21. The Shoreline Jr. Classic will be on Friday June 29. Check with Joe DeBode if you can volunteer.

MaryLu will be meeting with Joe DeBode regarding Team Play and having it on a Tuesday playday, which would give us more tee times and keep the price the same. We could also use ladies that are not playing to enforce the pace of play requirements for Team Play.

Santa Clara County Championship - August 6 and 7. Sign up on the web site.

Respectfully submitted,

Marky Olsen, Secretary
